Randall:

I apologize for the late notice, but I would respectfully request a continuance for the hearing in this docket. Jack and I have discussed this request, and the Company does not object to the continuance. The Company and George have been unable to schedule an inspection of the Company's facilities and equipment before tomorrow's hearing.

It is my understanding that Jack has been in contact with Commission staff to try to reschedule the hearing within the next few weeks.

Again, my apologies given the hearing is set for tomorrow.
